

# LIGHT-TPS

*Super Light-Weight thermal  
protection system for space  
application*

**FP7-SPACE-2013-1**

**GA N° 607182**

***Kick-off Meeting***

28-29 May 2014

**Project Coordinator: María Parco  
TECNALIA**

# Meeting Agenda

TECNALIA, Parque Tecnológico de San Sebastián - Gipuzkoa (Spain)

**Wednesday, 28 May 2014**

Time	Duration (min)	Subject	Who
14:00	20	Welcome from TECNALIA Scope of Kick-off Meeting Presentation of TECNALIA (Space sector)	TECNALIA
14:20	15	Overall presentation of the project	TECNALIA
14:35	80	Introduction/Presentation of each partner organisation (profile), participants and role and responsibility in the project (10-min each)	All
15:55	15	Coffee break	
16:10	20	SPACE Programme presentation. Legal and Financial aspects in FP7.	TENCNALIA in representation of the Project Officer
16:30	45	WP1. Management Review of Commission requirements. Project administrative and financial procedures (i.e. reporting, payment plan) Contractual aspects. Consortium Agreement. Other issues	TECNALIA
17:15	15	Questions. End of the meeting – day 1	All
17:30	60	Visit to Tecnalias's installations (San Sebastian)	Voluntary
18:30			
20:00		Dinner in the city center (Restaurant La Fabrica)	

# Meeting Agenda

*TECNALIA, Parque Tecnológico de San Sebastián - Gipuzkoa (Spain)*

**Thursday, 29 May 2014**

Time	Duration (min)	Subject	Who
09:00	5	Scope of meeting - Day 2	TECNALIA
09:05	15	Introduction. Overview of Workpackages Objectives, main Tasks, Deliverables & Milestones, Calendar and action: Short term working plan (M1-M12)	TECNALIA
09:20	10	WP1. Technical requirements definition	YUZHNOYE
09:30	30	WP2. Development of powder alloys on the basis of NiCr and Nb for heat resistant metallic frame of TPS	IPMS, SRI
10:00	30	WP3. Development of super-light multilayer TPS for reusable space systems	YUZHNOYE, DLR
10:30	15	Coffee break	
10:45	45	WP4. Development of UHTC and gradient coatings on its basis for metallic and non-metallic materials	TECNALIA, CNR, IPMS
11:30	30	WP5. Dissemination, Education and Exploitation	ECM
12:00	20	WP6. Technical coordination and risk management	TECNALIA
12:20	10	Agreement on Project Calendar, actions for coming period	TECNALIA
12:30	15	End of the meeting	
12:45	75	Lunch at Tecnalía (canteen)	Voluntary
14:00		Visit to Tecnalías's thermal spray installations in IRUN	Voluntary

# Dinner

Restaurant La Fábrica - Calle Puerto 17, 20003, Donostia-San Sebastian
