

ENGINEERING CONSULTING AND MANAGEMENT
FOR SPACE TECHNOLOGIES

LIGHT-TPS

Dissemination

Kick-off meeting
May 28-29, 2014, San Sebastian

Andrey Girenko, Arnold Sterenharz

Website of the project (D5.1) – single entry to the project

- Domain is purchased www.light-tps.eu
- Logo
- „Corporate style“
- Public/restricted areas (*by the middle of July*)
- Contribution from all partners
 - Logos (received)
 - Updated profiles
 - Contact details
- Public: initially based on the DOW
- Restricted: wiki style

Traditional dissemination

- Publications: tacit approval process
- Reporting!!! (internal/external)
- Briefings
- News on partner's websites, cross linkage
- Planning! Please inform us (we will ask) D5.2 M6

- Acknowledgement of the EC support!

Suggestions/questions:

- Final dissemination event: workshop attached to the Berlin Airshow ILA 2016
- Other workshops?
- Promotional materials (D5.3 M9):
 - Flyers: For whom? What is inside? How many?
 - Brochure?
 - Poster?
 - Hand-outs?
- Video (D5.4 M24): for what?

IPR management:

- All new knowledge acquired in the project must be protected
- Different protection mechanisms
- 3 patent applications to be filed (Ukrainian suggestion)
- Where? For how long? For whom?
- D5.5 M12
